TAUNS Laboratories, Inc. has Concluded a Capital and Business Alliance Agreement with EMC Healthcare Co., Ltd.

TAUNS Laboratories, Inc. (headquartered in Izunokuni-shi, Shizuoka, Japan; Masaki Nonaka, President and CEO; Securities Code: 197A; hereinafter referred to as "TAUNS") and EMC Healthcare Co., Ltd. (headquartered in Chiyoda-ku, Tokyo, Japan; Yoshito Date, C.E.O; hereinafter referred to as "EMC") today announced that TAUNS has subscribed to Class B preferred shares issued by EMC, and that the two companies have entered into a business alliance agreement aimed at implementing new services utilizing medical and nursing care data..

1. Background and Objectives of Alliance

In our mid-term management plan through the fiscal year ending June 2030, we have established the vision of “Solving social issues with diagnostic technology and data.” As a key initiative, we are advancing the “establishment of a data utilization infrastructure to accelerate medical research.”

Through this capital and business alliance, the two companies aim to organically integrate TAUNS’ diagnostic technology and the clinical specimen data to be accumulated going forward with EMC’s medical and nursing care data infrastructure. This will advance the implementation of a data utilization platform connecting clinical settings and daily living environments, as well as the construction of a data-driven medical and nursing care model.
